

**REMARKS**

This *Amendment* is being submitted in order to correct a minor typographical error in the specification. Specifically, the term shift "resister" has been changed to shift "register" to correct a minor typographical matter. This correction does not add new matter and review and approval is respectfully requested. If the Examiner feels that any further discussions about this case would be beneficial, he is invited to contact the undersigned.

Respectfully submitted,

---

Eric J. Robinson
